## 10 Port Desktop Charging Station

10 slot cradle allows industrial strength 96W of power that ensures they not only charge all at once but they charge fast too. The fastest device we have had and ideal in a school environment where speed is of the essence.

We have done away with the AC9 and the AC18 because of the performance and the upgraded IPC (Intelligent Power Chip) that this unit offers in its power management. Rapid charging with BC1.2 technology 2.4amp smart charger protects your ipad from critical damages by overcharging.

Sit it on a desk or inside a cupboard or cabinet without extra ventilation.

This is not an ebay or China catalogue toy this is a highly engineered built specific to last critical multiple USB charging unit. Delivery Australia wide for \$18.14 plus gst for 1 to 9 units  
10 or more units delivery is \$27.00 plus gst Australia wide.
